

Clwb Penmorfa

Clwb Penmorfa is a newly refurbished childcare setting that is registered with both CIW and ESTYN. At Clwb Penmorfa we are fortunate enough to have our own building and outdoor area which is equipped with lots of inviting resources and learning opportunities to ensure that our children have the best possible start in education to enhance and promote their development.

At Clwb Penmorfa we believe that learning through play is essential to children's development and therefore we take the child's lead and operate a free flow setting with access to outdoors at all times. We pride ourselves in the standard of care we offer and provide a support system for families offering a continuity of care that is essential for children to thrive and gain confidence during their early years.

Clwb Penmorfa is set on the Ysgol Penmorfa site and works very closely with the school to make sure that our children have a smooth and seamless transition into the nursery and also ensuring that this is a positive process.

For more information or to arrange a visit please contact Lisa on 01745 852757 (option 3). Opening hours 7.45am - 6pm weekdays.
